Seven minutes away
You're my claim to fame
I'm yelling it out loud
But I am already fading out
Your dead end street's uncomfortable
Imagination takes control
Can you hear me now?

Hold me one last time
Just to remember
Hold me one last time
Just to remember

I've got the shakes
And I'm trembling in this basement
Watching you run away
As if I've never felt this pain

Just give me something
I gave you everything
Just give me something
I gave you everything
Just give me something
I gave you everything
Just give me something...

Hold me one last time
Just to remember
Hold me one last time
Just to remember
... how it felt

Just give me something
I gave you everything
Just give me something
I gave you everything
Just give me something
I gave you everything
Just give me something...

Hold me one last time

Just to remember
Hold me one last time
Just to remember
... how it felt
