Here I go again
Well I can't hold it anymore
I can't hold in the pain
The pain has knocked down this old door
I don't know what to do
I don't know what to do
About you

It's written all over my heart
My soul
Well I can't let her know
I can't let it show
I can't let it go
It's written all over my heart and soul
If I could I'd let her know
I'd let her know

Here I go again
Well I can't make it on my own
Where do I begin
When I feel so all alone
I don't know what to do
I don't know what to do
About you

It's written all over my heart
My soul
Well I can't let her know
I can't let it show
I can't let it go
It's written all over my heart and soul
If I could I'd let her know
I'd let her know

Well I can't seem to face it
Oh that I am here and you are there
And you don't seem to really care
Well you can't seem to face it
What's left of me
Is for you to see

It's written all over my heart
My soul
Well I can't let her know
I can't let it show
I can't let it go
It's written all over my heart and soul
If I could I'd let her know
I'd let her know
