Can't get no rest
Don't know how I work all day
When will I learn?
Memories get in the way
I walk around
I can't hear a sound
folks talkin' loud, but I
don't see at all
I gotta get away
gotta get away, I don't

Know where to go
It's hopeless so
I guess I'll leave it alone
well I

Spent all my day
Fixin' up to go somewhere
Thought I was late
And I found she wasn't there
I guess I'll find
Love, peace of mind
some other time, but I
still have today
I gotta get away
gotta get away, I don't

Know where to go
It's hopeless so
I guess I'll leave it alone

(chorus)
Games people play
Night or day they're
just not matchin'
What they should do
Keeps me feelin' blue
Been down too long
Right, wrong
they just can't stop it
Spendin' all day
Thinking just of you

Twelve forty-five
Headed for the subway home
I took my time
'Cause I felt so all alone

Not far away
I heard a funny sound
took a look around, and I
could see her face
Smilin' as she came
callin' out my name, so I

Know where to go
We'll take it slow
Guess I'll call it a day

(chorus to fade)
