Like Howdy Doo  
Your tin soldiers, your clowns too  
They're all laughing at you  
I'm laughing at you too

Like basketball  
5 fouls and that was all  
The games you really knew, yeah  
Why couldn't I beat you

In the middle of the room  
Got no time to count my sheep today  
How could I let you get away  
When I knew I'd need somebody soon (Hoo... hoo...)  
How could I let you get away  
When I knew I'd need somebody soon

Like Mother Goose  
Winds you up then turns you loose  
Block 10 was beatin' 2  
And I can't tell green from blue, no, no

Like cat and mouse  
Games of chase instead of house  
I get so mad at you  
Like parents often do

In the middle of the room  
Got no time to count my sheep today (Baby)  
How could I let you get away  
When I knew I'd need somebody soon (Hoo... hoo...)  
How could I let you get away (Baby)  
When I knew I'd need somebody soon

Ooh... baby  
How could I let you get away, baby  
When I knew I'd need somebody soon, yeah  
Hey, baby  
I didn't count my sheep, I let my woman weep, baby  
I knew down inside I'd need somebody soon  
Like Mother Goose I done let you loose

And need you, baby, yeah  
Ooh-wee, I need somebody soon  
Help me now, keep my feet on the ground  
My baby
