ONE OF A KIND (LOVE AFFAIR)

The Spinners

Written by Jefferson

One of a kind love affair is  
The kind of love that you read about in a fairy tale.  
Like the sun that shines on a rainy day, its a cloud of  
love.

One of a kind love affair is  
When your down is up, when your up is down,  
But love stays around,  
And when you know youre right, but you got to make a  
little sacrifice,  
You make it for love. Who-oh-oh-oh, yeah.

I never thought about today would come  
When she would leave without good-bye, yes, sir.  
She wrote a line or two upon the wall --  
Said, Im leaving you, know I love you too,  
I cant stay with you --  
And this very day, I could never say a discouraging  
word.  
Cause I love you. Who-oh-oh-oh, yes, siree, now

(One of a kind) love affair is  
When you hate to say girl I told you so, but you gotta go  
There won't be a fight, cause your love is right,  
But you're leaving wrong, wrong, wrong, wrong.

(One of a kind) Ooh (love affair is) Ooh yeah.  
When you treat her nice but you finally have to pay the  
price.  
And though you know youre right  
But you got to make a little sacrifice,  
You make it for love,  
You make it for love. Yeah-heh-heh-heh.

(Lead break)

One of a kind love affair is  
Makes you want to love her, you just have to hurt her,

yeah

One of a kind, one of a kind, love affair is  
Makes a lame man walk, makes a blind man talk about  
seein' again.

(One of a kind) Ooh-oh (love affair is) My-hy,  
It makes you me want to be around ya, Ah, girl, Im glad  
I found you.

(One of a kind) Wooh-ee, baby (love affair is) I wanna  
tell you now,  
Every day is sunshine, girl, youre on my mind.

One of a kind, one of a kind love affair is  
Makes me want to, want to be with you.(fade)
