Hand me down my walkin' cane
Hand me down my hat
Hurry now and don't be late
'Cause we ain't got time to chat
You and me were goin' out
To catch the latest sound
Guranteed to blow your mind
so high you won't come down

Hey y'all prepare yourself for the rubberband man
You've never heard a sound
I Like the rubberband man
You're bound to lose control
When the rubberband starts to jam

Once I went to hear them play
at a club outside of town
