Not by might. Nor by power. Buth by My Spirit says the Lord.

Take my life come in breath in.

Like I took. Yours come on breath on.

Take my life come in breath in.

Take my life come on breath on. And make it Yours

Come on breath on.

Not by might. Nor by power. Buth by My Spirit says the Lord.

Take my life come on breath on. Like I took.

Yours come in breath in. Take my life come on breath on.

And make it Yours come in breath in.

Cover us with holy oil and we will burn the fire for You.

Cover us with holy oil and we will burn the fire for You.

Cover us with holy oil and we will burn the fire for You.

Take my life come on breath on. Like I took.

Yours come in breath in. Take my life come on breath on.

And make it Yours Father Son Spirit.
