Can't you feel it in your bones,
A change is coming on.
From every walk of life
People are seeing the light.

Can't you feel it in your hearts now;
A new thing is taking shape.
Reach out touch a hand;
Make a friend if you can.

Hey what about you my friend,
Ain't it time you come on in?
Live the united way,
Why don't you join us today.

Reach out touch a hand;
Make a friend if you can.
Reach out touch a hand;
Make a friend if you can.

It's been reflected in the attitudes,
Of others just like you.
Reach out touch a hand;
Make a friend if you can.

Everyday folks are waking up,
To the need for one another.
We're on our way,
Making the world a better place.

Can't you feel it in your hearts now;
A new thing is taking shape.
Reach out touch a hand;
Make a friend if you can.

Reach out touch a hand;
Make a friend if you can.
Reach out touch a hand;
Make a friend if you can

(Repeat - fades)
