### "Two Of A Kind"

Visit "[Two Of A Kind](#)" on MotoLyrics.com

I tried to play the field  
But that life could not fulfill my need for love  
And the pleasures I've been dreaming of

Then you came in to my lonely life  
With the love that's sure to keep me satisfied

Oohhh we're two of a kind  
No love that I'd ever find could please me like you do  
I know cause we are two of a kind...

(Chorus) two of a kind

We live out fantasies we both fly on ecstasy  
There's no charades cause we got a real love that  
tailor-made  
And competition that don't worry me... no!  
Cause the whole world knows this love was meant to be

Oohhh we're two of a kind  
No love that I'd ever find could please me like you do  
I know cause we are two of a kind...

(Chorus) two of a kind girl

And competition that don't worry me... nohohoho  
Cause the whole world knows this love was meant to be

Oohhh we're two of a kind  
No love that I'd ever find could please me like you do  
I know cause we are two of a kind

We're two of a kind (... no love that I'd ever find)  
No love that I'd ever find (... could please me like you  
do)  
Could please me like you do (... cause I know that you  
are too)  
I know cause we are two of a kind (... we're two of a  
kind)

We're two of a kind (... and there ain't no single shred

of doubt about it)  
No love that I'd ever find could please me like you do  
(... can't nobody  
Please me like you do)  
I know cause we are two of a kind (... I know it lasts  
forever... because... we  
Dooohhoo)

We're two of a kind (... iaiaiaaayyy)  
No love that I'd ever find (... can't nobody love me like  
you do)  
Could please me like you do  
I know cause we are two of a kind (... cause we are two  
of a kind)

We're two of a kind (... no love that I'd ever find)  
No love that I'd ever find (... can't nobody please me  
like you do)  
Could please me like you do
