Seven minutes away  
You're my claim to fame  
I'm yelling it out loud  
But I am already fading out  
Your dead end street's uncomfortable  
Imagination takes control  
Can you hear me now?

Hold me one last time  
Just to remember  
Hold me one last time  
Just to remember

I've got the shakes  
And I'm trembling in this basement  
Watching you run away  
As if I've never felt this pain

Just give me something  
I gave you everything  
Just give me something  
I gave you everything  
Just give me something  
I gave you everything  
Just give me something...

Hold me one last time  
Just to remember  
Hold me one last time  
Just to remember  
... how it felt

Just give me something  
I gave you everything  
Just give me something  
I gave you everything  
Just give me something  
I gave you everything  
Just give me something...

Hold me one last time  
Just to remember

Hold me one last time  
Just to remember  
... how it felt
