I don't remember what day it was
I didn't notice what time it was
All I know is that I fell in love with you
And if all my dreams come true
I'll be spending time with you

Every day's a new day in love with you
With each day comes a new way of loving you
Every time I kiss your lips my mind starts to wander
And if all my dreams come true
I'll be spending time with you

Oh, I love you more today than yesterday
But not as much as tomorrow
I love you more today than yesterday
But, darling, not as much as tomorrow

Tomorrow's date means springtime's just a day away
Cupid, we don't need ya now, be on your way
I thank the lord for love like ours that grows ever
stronger
And I always will be true, I know you feel the same way
too

Oh, I love you more today than yesterday
But not as much as tomorrow
I love you more today than yesterday
But only half as much as tomorrow

Every day's a new day, every time I love ya
Every way's a new way, every time I love ya
Every day's a new day, oh, how I love ya
