Goodbye my plight  
Foregone lost wells

Find him, tell her  
I'm more like the  
Clouds

Do you know yourself  
Before somebody else  
Knows  
Paths fork  
In fog's form  
Anyone  
Do you know yourself  
Before somebody else  
Knows  
Runways  
Your airplanes  
And temporary  
Towns

Rest her  
Love plight

Lose my  
Sand sight

Find him, tell her  
I'm more like the  
Clouds

Do you know yourself  
Before somebody else  
Knows

Do you know yourself  
Before somebody else  
Knows

Runways  
Your airplanes  
And temporary

Towns

Do you know yourself  
Before somebody else  
Knows  
Quiet the councils  
The rights  
Wrongs of I
