

Spires That In The Sunset Rise "Desert Mind"

Visit "[Desert Mind](#)" on MotoLyrics.com

Because
Life turns
Lights leaks
Into vain

Desert minds
Vast stage
Meanings burn
In the name

Because
Light leaks
Darkness pours
Into pain

Desert mind
Vast stage
Meanings born
In the rain

Stop
My brain
You swallow

Voids
Of land
To follow

Go on home, lay down

Stop my thought
I stall her
A desert mind
Will call her

Go on home, lay down
Go home, you lay down
