When you think that you can take me on,
You must be crazy
There aint a single thing you've done,
that's gonna and phase me

Ooh, but if you wanna have a go
I just wanna let you know...

Yeahh...
Get off of my back
And into my game
Get out of my way
So wild and untamed
Get out of my face
Ooh gimmy your best shot

I think it's time you better face the fact...
Get off of my back!

You know it's all just a game,
That I'm playing
The thing that you can't find a way in
Is what I saying

Ooh, but if you wanna have a go
I just wanna let you know...

Ooh...
Get off of my back
And into my game
Get out of my way
So wild and untamed
Get out of my face
Ooh gimmy your best shot

I think it's time you better face the fact...
Get off of my back!

Ooh, but if you wanna have a go
I just wanna let you know...

Get off, get off, Yeahh...
Get off of my back
And into my game
Get out of my way
So wild an untamed
Get out of my face
Ooh gimmy your best shot

You know this train is coming of this track...
Get off of my back!

Yeah get off of my back

Get off

Get off 6 ?

Get off of my back!
