Blood revolve around

Dissolve minds and drown

Deep into this wine of mine!

Sowers sow to find
Reapers power of mind

These days I've done nothing today

I'm too tired to wash up

Now it's all over

Shadows cloud the mind
Powers of the wine

I'm leaving you should guess
What I am saying

Showers clean the mind
Towers clean the brine

So seeming to change what I'm saying

Sowers sow to find
Reapers power of mind

Igh, igh, igh

Blood revolve around

Dissolve minds and drown

Deep into this wine of mine!

Bound down to this old town
I can't stay forever

Sowers sow to find
Reapers power of mind

Strange these summer will leave me
Bound down to this old town
I can't stay forever

Shadows cloud the mind
Powers of the wine

I'm leaving you should guess
What I am saying

See me watch
The days grow shorter

Sowers sow to find
Reapers power of mind
Sowers sow to find
Reapers power of mind
Igh, igh, igh
Igh, igh, igh
