

Spires That In The Sunset Rise "Sheye"

I have lost
You see I am nothing
I surrender
I can't see
Shadows dance
In certain sunlight walls
Soon all around
A house to run to seek
And stop this dark
Cloud

Clouds take of life
Shapes the rocking sky
I was bound to drop the sun
Fare thee well to the end that was not mine
Sheye
Sheye
Sheye

Pushing the shadows to light
(Still the clouds talk of life)
Fighting to fade leaks of blind
(Shadows seee full time)
Rush to the fall of the sun
(Days brings end left undone)
Shine light so soon darkness comes

Pushing the shadows to light
(Still the clouds talk of life)
Fighting to fade leaks of blind
(Shadows seee full time)
Rush to the fall of the sun
(Days brings end left undone)
Shine light so soon darkness comes

I have lost
You see I am nothing
I surrender
I can't see
Shadows dance
In certain sunlight walls
Soon all around

A house to run to seek
And stop this dark
Cloud
