Wonder won a star  
It sits so tall  
I blink each eye  
It twinkles all

It's not for choose  
It's not for true  
It's not for the wonder won  
You had to lose

This aint for Mama  
This aint for Dad  
This aint for the whole world

Wonder won a star  
It sits so tall  
I blink each eye  
It twinkles all

It's not for choose  
It's not for true  
It's not for the wonder won  
You had to lose

This aint for Mama  
This aint for Dad  
This aint for the whole world
