Oh no! I had a thought and a feeling  
I watched 'em fasten the noose  
I wonder what to do  
I wonder what to do

Oh no! smirking the whole time Jim spoke  
He doesn't have a clue. I don't know what to do  
I wonder what to do

I haven't had a day alone  
Haven't had a day alone since I met you  
I haven't had a day alone  
Haven't had a day...

Oh no! I talk it over with mother  
I talk it through with the cops  
They give us the same answer  
Keep being careful and

Oh no! I'm lying if I'm talking  
It's what I don't tell you  
You wouldn't like the truth  
You wouldn't like it

I haven't had a day alone  
Haven't had a day alone since I met you  
And I haven't had a day alone  
Haven't had a day alone since I met you  
And it's one eye on the banquet table  
The other on the door  
Everyone's got reasons  
But I don't have the same ones and it's true  
Oh no!

Oh no! The metal wheel is spinning  
I take a sip from the tube  
In the glass I look pretty  
Saw dust in my shoes

Oh no! I'm balancing in my head now  
Awaiting a false move  
I don't know what to do.

I don't know what to do!

Haven't had a day alone  
Haven't had a day alone since I met you  
And I haven't had a day alone since I met you

And it's one eye on the banquet table  
The other on the door  
And everyone's got reasons but I don't have the same  
ones and it's true.

Oh no!
