We only come to dream  
We only come to sleep  
It is not true, it is not true  
That we come to live on Earth

Where are we to go from here?  
We came here only to be born  
As our home is beyond  
Where the fleshless abide

Perchance does anyone really live on Earth?

The Earth is not forever  
But just to remain for a short while  
It is not true, it is not true  
That we come to live on Earth

Where are we to go from here?  
We came here only to be born  
As our home is beyond  
Where the fleshless abide

Perchance does anyone really live on Earth?

You got to dream & keep on rollin' [2x]
