Pick An Issue That You Want To Condemn  
Smash It Up And Rape It  
And If They Ask You The Depth Of Your Knowledge  
Just Smile And Fake It  
If Things Get A Bit Out Of Hand  
Just Change The Subject  
Avoid The Issue, Avoid The Scene  
Next Month Is Reelect

Kissin' One Ass Just To Kiss The Next  
Reality's Just Another Bill  
What's A Little Lie If It's In Your Best Interest  
Makin' It Hard Makes It Easy To Kill

Kill, Kill, Kill, Kill  
Kill Ugly Naked  
Kill, Kill, Kill, Kill,  
Kill Ugly Naked

You Say You Want To Economize  
You're Just Tryin' To Add To The Mess  
You Wanna Stabilize  
You're Just Worried About Your Own Success  
You Got A Throat To Slit  
I Wanna Be Your Hippocrite  
You Try To Put Me In My Place  
I'm Gonna Spit Right In Your Face

Kissin' One Ass Just To Kiss The Next  
Reality's Just Another Pill  
What's A Little Lie If It's In Your Best Interest  
Makin' It Hard Makes It Easy To Kill!

Let's Get Naked Now!
