Seize The Day, With Burning Might  
Dreams Roll Away, With The Proud Sunlight  
Aint Gonna Be No Underdog  
See Right Through Deception's Fog  
Can't Buy Me Off To Take No Fall  
And I Won't Roll Over No Not At All

We're Gonna Ride In The Cloudswept Sky  
Gonna Taste A Love Divine  
Gonna Melt Into One Body's  
Mind We're Gonna See Powertime!

It's Been So Long Since There's Been A Place  
That You Call Home  
Now The Power's Strong, Lust Embrace  
Into The Cosmos Roam  
Aint Gonna Be No Whippin' Boy  
No Greedy Leader's Pawnlike Toy  
It's One Great Big Conspiracy  
You'll Have To Kill Me First  
To Put The Chains On Me!!

Gonna Ride In The Cloudswept Sky  
Gonna Share A Love Divine  
Transgress Dimension's Boundry Lines  
Gonna Feel...

Come With Me, Powertime!  
It's Powertime, Powertime!!
