Adolescent deflowered and defiled.  
Butchered innocence - a childhood denied.

Raped and tortured as the clergymen smiled.  
In the name of god victimized and brutalized.  
The day of retribution has now arrived.  
A vengeance with wrath just like the child fantasized.

There will be no salvation.  
There will be no redemption.

Murder, mayhem, massacre - redemption denied.  
Torment, carnage, semen - redemption denied.

Mutilated and exterminated and excreted upon.  
Strewn on the altar the remains of all but one.  
Nailed to the cross, like his savior he died.  
A righteous punishment by the child brutalized.

There will be no salvation.  
There will be no redemption.

Murder, mayhem, massacre - redemption denied.  
Torment, carnage, semen - redemption denied.

[Solo]

Annihilated and mutilated.  
Excreted and ejaculated upon.  
Exterminated and defiled.  
Excreted and ejaculated upon.

There will be no salvation.  
There will be no redemption.

Murder, mayhem, massacre - redemption denied.  
Torment, carnage, semen - redemption denied.
