I'm sorry for all that it's worth
I can't stay
I'm sick of the pathetic things that you say
I need a release from this every day
I need to escape my day to day life
Where I'm lost deep inside
I'm gonna dig deep inside.
And I think that you know
What I seek but can't find
And I run deep and hide
And I hide deep inside.
And I think that you know
What I seek but can't find
A face coming toward me
I push you away
With the past you bring before me
My losses gave away
I need a release from this everyday
I need to escape my day to day life
Where I'm lost deep inside
I'm gonna dig deep inside
And I think that you know
What I seek but can't find
And I run deep and hide
And I hide deep inside
And I think that you know
What I seek but can't find
/talking/
Where I'm lost deep inside
I'm gonna dig deep inside
And I think that you know
What I seek but can't find
And I run deep and hide
And I hide deep inside
And I think that you know
What I seek but can't find
I'll never let you see my pain again
And I'll never seek your shoulder to lean against
And I'll never let my emotions be free again
And I'll never let you see my pain again
And I'll never let you see my pain again!
