My Reason  
I never liked the shelter  
Im constantly alone  
Im pointing out my weakness  
There's an emptiness at home  
I need to find a reason  
To live this way  
Im running out of patience  
And my life is over  
Im standing here  
But Im on my way  
Searching to find an answer  
Im standing here  
But it's all the same  
And Im running out of patience  
And I will take my reason  
From you  
And I have gained a reason  
From you  
But you left me  
You left me here  
And Im all alone  
Been stripped of my innocence  
Take pity in myself  
A certain chain of grievance  
That put me in this hell  
I need to find a reason  
To live this way  
Im running out of patience  
And my life is over  
Im standing here  
But Im on my way  
Searching to find an answer  
Im standing here  
But it's all the same  
And Im running out of patience  
And I will take my reason  
From you  
And I have gained a reason  
From you  
But you left me  
You left me here

And Im all alone  
Im all alone  
Im all alone  
Im all alone  
Im all alone  
Ahhhhhhhhhhhhhhhh  
Ahhhhhhhhhhhhhhhh  
Well Im searching  
To find my reason  
To find a reason  
To find my reason  
Why I need you  
And I need you  
And I want you  
But I need to  
Get away from you  
And I need you  
And I want you  
But I need to  
Get away from you  
And I need you  
And I want you  
But I need to  
Get away from you  
And I need you  
And I want you  
But I need to  
Get away from you  
And I will take my reason  
From you  
And I needed someone to love me  
But you just left me  
Here and Im lonely  
You know I needed  
Someone to love me  
But Im all alone
