### Verse 1

I'm always beating you down  
With the presence of me in you  
But I'm taking this moment  
And I'm changing my entire view

### Chorus

You won't see through my eyes  
I'm always by your side  
And I'll always say I love you

### Verse 2

Rewind the thoughts in your head  
Imagination is all that's around  
What were you thinking when you said  
Playing with your head is all that I need

### Chorus

### Bridge

I don't see you, don't see you, I don't see you

### Chorus
