What is this?  
I'm blind walking through this desert  
I'm blowing in the wind  
And I'm lost  
I can't find my way  
I'm incapable of holding onto the distant past  
Well it's too late to grasp my mind  
And see what I'm missing  
Chorus:  
When I try to run away  
You have helped me in every way  
You're the one that holds my life together  
What is this?  
I'm feeling ashamed  
Of the life that I live  
In the dark, I can feel your light  
I see clearly now  
I'm away from the life  
Let's dream  
You have helped me grasp  
What's right  
And see what I'm missing  
[Chorus]  
Come in turn in I cried  
Now were with you  
You are the one that got me through  
Well i'm better now and it's over, it's over...  
What is this?  
I found my way through the darkness to be  
With you  
To be with you  
[Chorus]
