"A Great False Hand"

I called it in the air
Like I was the only one who could understand the way
the cards fall

My expression plays a great false hand
It's not what I'm about but I'm done and out and I know I
can't
See past this broken dream

Though we all know, things aren't always what they
seem
And I'll try my best to stay on top, of this situation.
I'm tied in knots.
And I'll try my best to stay on top, of this situation.
I'm tied in knots.

I'm on the outside of this party thrown for two, I'm on
the downside.
I'm on the wrong side of this team I knew would lose,
I'm on the downside.
I'm on the outside of this party thrown for two, I'm on
the downside.
I'm on the wrong side of this team I knew would lose,
I'm on the downside.

I called it in the air
Like I was the only one who could understand the way
the cards fall
