These words you write, they break me..  
These tears you cry, they make me..  
Forget why, I play this game alone..  
Forget why, I play this game alone..  
And after all is taken..  
And after all is breaking..

Don't say-- I didn't have my reasons  
To pack up all my feelings..  
Try to find a.. falling star! a fallin star!!  
Don't say I.....  
Don't say I.....  
Don't say I.....  
Don't say I.....

After all these between lines..  
Uncountless tries and I don't know why..  
I'll waste my time and take my time with emptiness..  
For your happiness..

And after all is taken  
And after all this breaking..don't..

Don't say I..... didn't have my reasons  
To pack up all my feelings  
!!falling star!!!

After all these between lines (don't say i)  
Countless tries and I don't know why (know why)  
I'll waste my time and take my time with emptiness.  
(falling star)

Don't say i.....  
Don't say i.....(I)  
Don't say i.....(I)

Try to find a falling star!
