I called it in the air
Like I was the only one who could understand
The way the cards fall

My expression plays a great false hand;
It's not what I'm about but I'm done and out and I know I
can't
See past this broken dream

Though we all know, things aren't always what they
seem
And I'll try my best to stay on top of this situation. I'm all
tied in knots.

I'm on the outside of this party thrown for two, I'm on
the downside
I'm on the wrong side of this team I knew would lose,
I'm on the down side

I called it in the air
Like I was the only one
Who could understand the cards fall
