Dream a picture of how you see me, yeah  
Put yourself in I'm there  
With the words to the song you hear listen close my  
dear  
Its like we're almost there, just a pinch of novocaine

If you won't be the one to ease my pain, just say my  
name  
Sweet sweet novocaine

Put your faith in a show everyone is waiting for you  
there  
I can hardly see anything  
Catch the worm by it's tongue a few more words and i'll  
be done yeah  
What will i ever really be, just a pinch of novocaine

If you won't be the one to ease my pain, just say my  
name  
Sweet sweet novocaine

Wake me take me anywhere that i don't have to be  
You don't have to say my name i don't have to be me  
Just a pinch of novocaine

If you won't be the one to ease my pain, just say my  
name  
Sweet sweet novocaine  
If you won't be the one to ease my pain, just say my  
name  
Sweet sweet novocaine

Call the extras to the set and turn the lights up  
Oh oh oh oh Aren't we finished yet? I'm finished  
Call the extras to the set and turn the lights up  
Oh oh oh oh Aren't we finished yet? I'm finished
