Attack of the killer rollerbladers
There you are again
Attack of the killer rollerbladers
Snake me everytime
I drop in

A turn once in awhile
Was all that i need
But forty of you
Just seem to proceed
In a line right after another
And not giving a chance
To me or my brother
Im sick of this
No more not a bit
You need to take a trip
Or get hit
Another one down
A million more to go
Aint gonna stop
Untill we reach zero

I traveled this world
And i found my place
It was to find all them
Rollerbladers and
Smack them in the face
I proceeded to do this
And i did a damn good job
But one left

There was one left
They said he was the best
Rollerblader
Tough young lad
But it's too bad
He wasn't tough enough
For the skater
