Everyone wants see her  
The parents are lucky  
Everyone loves her  
Everyone is happy when she smiles  
Noone is happy if she cries  
The hair is mother-like  
Baby looks so nice  
She has got curious eyes  
In her little face  
The smile is father-like  
Baby's very nice  
She wants be by her mother  
Laying in ther mother's arm  
Smiles at someone other  
She turn on the old charm  
Everyone is happy when she smiles  
Noone is happy if she cries  
The hair is mother-like  
Baby looks so nice  
She has got curious eyes  
In her little face  
The smile is father-like  
Baby's very nice  
Today she makes her first steps  
Now she is walking so nice  
The baby is so great  
The baby is so nice  
Everyone is happy when she smiles  
Noone is happy if she cries  
The hair is mother-like  
Baby looks so nice  
She has got curious eyes  
In her little face  
The smile is father-like  
Baby's very nice  
Everyone is happy when she smiles  
Noone is happy if she cries  
The hair is mother-like  
Baby looks so nice  
She has got curious eyes  
In her little face

The smile is father-like  
Baby's very nice  
She is sleeping so happy  
Everyone wants see her  
The parents are lucky  
Everyone loves her  
Everyone is happy when she smiles  
Noone is happy if she cries  
The hair is mother-like  
Baby looks so nice  
She has got curious eyes  
In her little face  
The smile is father-like  
Baby's very nice
