Mr man
What's your plan
Wakin up
Just to make another buck
Off the kids
Who wait all day
Charge them more
When their band comes to play
They don't care
What the special is
Of the night
Keep that in mind

Let me
Let me do my damage
I'll sit back
Then maybe i can manage

Manage this
Your advantage is
Chargin more
To the kids at the door
Does that sound nice
Is that the price
They must pay
To have fun today
They don't care
What the special is
Of the night
Keep that in mind
