Stubornness

I learned from the best
As did you
From his father too
No more tradition
Under this condition
Not while im in line
This trait wont be mine,
No more for sure
Im breakin this chain
Aint no shame in my game

Everything seems fine to me
Got no reason to complain
Aint no shame in my game

Fallin in love
That depends
First time i was there
I couldnt make ends meet
Its a two way street
Thought i found defeat
But victory came to me
Threw water on the fire
And sparked a new flame
Aint no shame in my game

Dissin on myself
What no that's unheard of
All i need now is nothing
But your love
Nothing but the best
The best without greed
Simplicity in numbers
Your all i need
Support from the fans
And my girls who's
Bringin me no pain
Aint no shame in my game
