Opportunity knocks and im waiting been waiting for
some time patiently waiting
Thanks for knocking but keep in mind idolized
patronized pardon my herioc cry
This might not be the right way but ive got to say so
long athanks again and
Ill see you soon the effort was appreciated and im glad
that i could make it
Youll never know just what it means to me keep your
favors im not in doubt but
Somehow your welcome wore out don't want to be your
charity case I'll keep my
Space i never struck out but i never got on base with
the best if friends the
Good times never end no need to try these words i live
by thank you for your
Time I'll be on my way it's not about pride but it's all
that i can take
