Soldier soldier - what's your price?
Soldier soldier - to be very nice?
Soldier soldier - I'll give you ten pence
Soldier soldier - go 'n' jump on to the fence

Soldier soldier - with your fascist jackboots
Soldier soldier - to jump on 'commie' troops
Soldier soldier - I'll give you ten pence
Soldier soldier - go 'n' jump on to the fence

Soldier soldier - soldier!

Soldier soldier - what can I expect?
Soldier soldier - you gonna break my neck
Soldier soldier - oh give me your reward
Soldier soldier - with the sharp edge of your sword

Soldier soldier - soldier!

Soldier soldier - with your polished rifle butt
Soldier soldier - thumping into my gut
Soldier soldier - I wanted to believe
Soldier soldier - so you jumped on to my feet

Soldier soldier - soldier!

Soldier soldier - you brought me to my knees
Soldier soldier - stop it! stop it! please!
Soldier soldier - with your millions of men
Soldier soldier - to march and die again!

Soldier soldier - I sold you!
