You had them fooled,  
And I'll admit you had me too,  
But you're awfully chique,  
To act so clean, I...

Can sense a shake,  
An oscillation  
Your voice,  
The closet's full,  
But the door's swinging open,

Shame.

That you couldn't suffer the blame,  
Cause now it's the only way  
That you could find the fix, to mend.

You see out of the sea,  
With elegance you plead,  
And captivate,  
And never was there doubt in my eye.

With the silent sound,  
I see you were standing still in a silent calm,  
With curtains drawn,  
A person of the light,

Shame.

That you couldn't suffer the blame,  
Cause now it's the only way,  
That you could find the fix the nightmare

Shame.

That wouldn't suffer the blame  
You know it's the only way  
That you could find the fix to  
Mend these lies.

You now leaving anything back in this world for us

So don't go taking anything back from this world but,  
Shame  
That you couldn't suffer the blame  
Cause now it's the only way  
That you could find the fix to mend,

These lies.
