In peak fitness condition
You keep having this vision
of you on a roll
In peak fitness condition
and control

You keep fighting the difference
It gets harder to go
as bleak desperate decisions
take hold

In peak fitness condition (In peak fitness condition)
In peak fitness condition (In peak fitness condition)
In peak fitness condition
In peak fitness condition (In peak fitness condition)
In peak fitness condition
In peak fitness
In peak fitness condition

You keep having this vision
of you on a roll
In peak fitness condition
and control

You keep having this vision
of you on your own

In peak fitness condition
in a decade of sun

You keep fighting the indifference
It gets harder to go

With bleak desperate decisions

In peak fitness
In peak fitness condition
In peak fitness condition (In peak fitness condition)
In peak fitness condition
In peak fitness condition (In peak fitness condition)
In peak fitness

In peak fitness condition
