It's an order that you can't let go
It's an order that you trust too deeply now
You put your head in the sea
You put your head in the sea,
To see if the sea s bigger than me

It's a company you can't let go
It's a company you trust completely now
You put your head in the sea
You put your head in the sea
Just to see if the sea is bigger

Everyone is the same, yeah
Everyone is the same, yeah
Everyone is the same, yeah
Oh, oh
Coming out of nowhere
Coming out of nowhere
Coming out of nowhere
The killers on a killing spree
Taking back eternity

If it's crisis I don't wanna know
'Cause it's a city that I left so long ago
And when I'm facing the sea now
I'm facing the sea just to see if the sea is fading in me
In ten years, in ten years' time
In ten years it's a trail you've left behind
The bad years of mine are tunning to trees,
Turning to trees one at a time

Everyone is the same, yeah
Everyone is the same, yeah
Everyone is the same, yeah
Coming out of nowhere
Coming out of nowhere
Coming out of nowhere
Oh, oh
The killers on a killing spree
Taking back eternity

It's a company you can't let go (x 8)
