la la la la la
This is my stop
Got to get off
I might go pop
Excuse me, Excuse me

I've got to be direct
la la la
If I'm off, please correct
la la la

You're standing on my neck

Look right through me
Say I'm gloomy
Well so sue me
Excuse me, excuse me

I've got to be direct
la la la
Its like a big train wreck
la la la
Your standing on my neck
la la la
Your standing on my neck
la la la
Your standing

Nothing is like I planned it
So funny I cant stand it
Wish I was made of granit
I must be on another planet

la la la la la
la la la la la

This is my stuff
I've got to get off
I might go pop
Excuse me, excuse me

Ive got to be direct

la la la
If I'm off please correct
la la la
Your standing on my neck
la la la
You standing on my neck
la la la
Your standing on my neck

la la la la la X15 or till end
