"Frenzy"

Visit "[Frenzy](#)" on MotoLyrics.com

The frenzy never satisfies
it doesn't help you socialise
and seldom will it instigate a riot
It's not a dance or a teenage craze
but if you're lost in a mental maze
the frenzy will erase the haze
Now try it.

Move to the frenzy, everybody lose control
Move to the frenzy, it's for the young and the old

(turn to our leader?)

Move to the frenzy, everybody lose control
Move to the frenzy, it's for the young and the old
Move to the frenzy, where it's all going to end
Move to the frenzy, everybody's 'round the bend

Move to the frenzy, everybody lose control
Move to the frenzy, it's for the young and the old
Move to the frenzy, where it's all going to end
Move to the frenzy, everybody's 'round the bend.
