(T Finn) - Frenzy

[chorus:]

When my baby's walking down the street
I see red, I see red, I see red.
How could someone wicked walk around free
I see red, I see red, I see red.
I see red, I see red
(red!), I see red.

I respect your wishes
You gave me such precious hours
What to do without you.
Squeezed me out of your life
Down the drain like molten toothpaste
I feel used and spat out.
Poor old me

[chorus]

I'm fed up with crying
My despair is dying,
Turning into rage, day by day
Green before you met me
In the pink when you let me love you
I was blue when you let me down
Black and Blue

[chorus]

Go!

I see red, I see red, I see red...
