Drowning hurting feeding  
stinks like suicide.  
Dieing breathing FreaKing  
smells like suicide.  
Drowning hurting loving  
feels like suicide.  
Burning screaming all that I am needing  
killz like suicide.  
Hurt them  
what they want is always fucking  
death by suicide  
But then I dont know why  
I'm lieing It's all I know.  
I know that everything is wrong  
I don't believe its true  
I don't believe in love  
I can't believe in you  
Blood is feeding  
off your warning  
love is like suicide  
I only wanted to be giving love all along  
I know you're going to say  
that I'm a fucking waste  
and you're so fucking stupid  
that you're fucking wrong

And when everything is dark  
there must be something in between  
and you don't even know  
what the fuck suicide is  
I know that everything is wrong  
I don't believe its true  
I don't believe in love  
I can't believe in you.  
Drowning feeling of you moving scent above me  
screaming focus on me falling listen to me  
I know everything is wrong  
don't believe a thing  
I used to know what's true  
I don't believe in anything  
and I hate you and  
I don't believe in love

I don't believe it's true  
I don't believe it's true  
I don't believe in you  
I don't believe in you  
I don't believe in you.
