NARRATOR:

Another 4th of July
Another pie in the sky
Another man hears the call

Another snake in the grass
Another tire's been slashed
Another man takes the fall

And like a dream dressed in white
Fast as a trick of the light
You see the vision of every man

You've known it since you were small
Even before you could crawl
You had the vision of every man

Another 4th of July
Another shot hits the sky
Another man has to pay

We wish our boy would stay sane
We wish he'd change his name
But life just isn't that way

And like a dream dressed in white
Fast as a trick of the light
You see the vision of every man

You've known it since you were small
Even before you could crawl
You had the vision of every man

Another 4th of July
Another shot hits the sky
Another ego exalts the man

Another 4th of July
Another shot hits the sky
Another ego exalts the man
