All on a Sunday  
I woke in the morning  
But my head said too soon  
So I slept until noon  
In the blink of a memory  
My consciences left me  
And it stayed gone until  
The sun came to fill the room

I wanna live just like you  
I wanna feel like you do  
I wanna lay it down  
All on a Sunday  
I wanna fly to the moon  
I'll see the world from my room  
All on a Sunday

The wind and the weathering were on channel 14  
So I flipped to Ben-Hur  
Feeling warm and secure  
The stars of the 80's  
And the corporate ladies  
Flashed on my screen  
'Til I started to dream again

I wanna live just like you  
I wanna feel like you do  
I wanna lay it down  
All on a Sunday  
I wanna fly to the moon  
I'll see the world from my room  
All on a Sunday

I wanna live like the longest and curviest driveway  
Tucked in bed no one knows that I've lost my mind

I wanna live just like you  
I wanna feel like you do  
I wanna lay it down  
All on a Sunday  
I wanna fly to the moon

I'll see the world from my room  
All on a Sunday
