I am the man in mountain
I stand alone - I've been downed
In a sea of loveless illusion
So many lost - so many drowned

Got no church - got no steeple
Got no time for you people
I live the life of a shadow
The only chance that I have now
Is there
In the light

They wore all kinds of things on their heads to disguise
That they'd rather be unfettered than be wealthy and
wise
And they listened as their enemies made a similar
sound
And they watched a million cars go by
They were gaining some ground
But they didn't know what to do
With this thing they had found
So they had a party!?
