One more year and I'll be heading out on my own
Leaving friends and the place that I call home
I don't wanna go.
I just need to know that I can come back
I need to know, I only need to know that you'll be here
When I come back home
Cause I don't wanna miss
A single autumn evening here with you like this
I don't wanna miss

Chorus:

All those nights we danced by the moonlight
Conversations 'bout nothing 'till midnight
you and I huddle close 'till the daylight came
Remember the colors reflected in your eyes
The scene painted golden, as the sun rises
over you and me, Darling.

One more year we better make the best of this one
You just can't beat the weather here in autumn
Please stay close to me
I just need to know you're gonna call me
I need to know that everything will all be okay

While I'm away
Cause I don't wanna miss
A single autumn evening here with you like this
I don't wanna miss

Chorus:

All those nights we danced by the moonlight
Conversations 'bout nothing 'till midnight
you and I huddle close 'till the daylight came
Remember the colors reflected in your eyes
The scene painted golden, as the sun rises
over you and me, Darling.

All those nights we danced by the moonlight
Conversations 'bout nothing 'till midnight
you and I huddle close 'till the daylight came

Remember the colors reflected in your eyes
The scene painted golden, as the sun rises
over you and me, Darling.
Over you and me, Darling.
Over you and me, Darling.
