Its getting late,
Soon ill fall asleep,
And dream of her.
Did she do the same?
This is the pefect ending,
To the perfect day.
Shes everthing i hoped for.
Should i let her know,
I feel this way?
Let these words melt from my lips,
And hope that its not all there good for.
One things for sure,
I cant let this one get away.
Shes everything i hoped for,
Everything i hoped for and more.
Petal for petal,
Everybody knows,
That your best bet is for us to tell you.
Does she love me?
Does she love me not?
Everybody says,
That i dont stand a chance.
Fall arives.
So quickly send a chill through my veins.
This autum weather wraps me in its arms tonight.
I will sail far past the daphodils,
And grassy hills of spring.
And wait for you next year,
When the seasons turn.
Petal for petal.
Everybodys knows,
That your best bet is for us to tell you.
Does she love me?
Does she love me not?
Everybody says,
That i dont stand a chance.
Its getting late,
Soon ill fall sleep and dream of her.
Did she do the same?
This is the perfect ending to the perfect day.
Shes everything i hoped for and more
