Did you know how much you meant to me, oh no.
Did you know i still carry the memories, oh no.
Did you know that for me,
letting go wasn't easy, oh no.
No you don't.

Do you still listen to our lullaby, oh no.
Does it help you get to sleep at night, oh no.
Are you sitting alone by the pale moon light, oh no.
No you don't.

I just need a bit more time,
to get you off my mind tonight,
i'm thinking of your bright blue eyes,
brighter than the stars that lit the skies,
an angel in disguise.

I just need a bit more time,
i wanna hold you in my arms tonight,
I can't forget those bright blue eyes,
can't forget the moment they met mine,
please turn back the time.
