I fell in a stream  
Neck deep in needles  
A slow motion sunlit scene  
I woke in a world  
With two kinds of people  
The more and the less extreme  
Was it some kind of dream?  
Or is it real?

Then I awoke  
To then white policemen  
Who held me until I choked  
They brought me in  
Like McCarthy and Nixon  
That isn't all she wrote  
Log on to a suicide note

But I can't get nothin'  
That can be bought  
So I'll just live  
With what I got  
I'm the gypsy  
And I'll never be  
Anyone's president  
So I'll just live  
'Til my time's spent  
I'm the gypsy  
I'm the gypsy

Little Susie Baker went to meet her maker  
For a ten pound note  
A glass and a sucker is all that it got her  
Guess she got her goat  
And the Camptown ladies say Â»you have a nice day  
Just be along your way . . . GET OUT ! ! ! !

### CHORUS

I fell in a stream of lilac and razors  
What do you think that means?  
Another day - another stomach

Aches for some other way  
But for now I'll just live today . . . OH YEAH ! ! ! ! !

But I can't get nothin' that can be bought  
So I'll just live with what I got  
I'm the gypsy - I'm the gypsy
